

### An Ideal Environment for Learning

If you believe the best education isn't limited to classrooms and labs, we offer still more advantages. The rich diversity of our student population, the collaborative atmosphere of the institution, and the close-knit community make this an ideal environment for learning and sharing. All around you is the stimulating backdrop of Kolkata, a vibrant mix of historic, cultural, intellectual, and artistic activity and inspiration.

### The Infrastructure

The massive infrastructure being created to cater the academic, clinical, residential and recreation requirements besides the green campus is a true reflection of our philosophy and belief in holistic development of all our students.

### Excellent & Affordable Dental Care

For patients, we offer a complete spectrum of dental services with an emphasis on preventative and restorative dentistry. You'll benefit from the latest research in dental techniques and equipment while receiving care in a comfortable, cheerful environment. We have the capacity for treating patients with disabilities.

### Mission

- To train the students to be successful professional in Oral Health Care in a state-of-the-art infrastructure and to meet national & global challenges.
- To involve in community oriented research
- To provide comprehensive spectrum of oral health care services to individuals from all socio-economic and cultural groups

### KUSUM DEVI SUNDERLAL DUGAR JAIN DENTAL COLLEGE & HOSPITAL

(A unit of Shree S.S. Jain Sabha)

#### Our Institution

It is a good decision to choose DENTISTRY as your professional career and the place to pursue your dream is **Kusum Devi Sunderlal Dugar Jain Dental College & Hospital**. Here at our modern institution, you'll learn from faculty whose outstanding credentials are matched by their passion for their profession. You'll gain skills and confidence through unsurpassed experimental learning opportunities: our state-of-the-art simulation laboratories, hands-on clinical experiences starting in your third year, and our twelve months internship.

You can also participate in service to the under privileged, bringing your knowledge and skills to undeserved communities close to campus or in remote areas through our outreach program.

#### Mr. Sardarmull Kankaria, Chairman

It gives me immense pleasure to welcome the new batch of BDS students to our college and hospital. Shree S. S Jain Sabha which has started nine decades ago mainly in the field of school education has enlarged its ambit of activities in the field of medical science too.

There is a dearth of good dental college in India, keeping that in view we dreamed of and established this college. I wish all our students the best in their 5 years of their training at our institute and success in their life to come. However keeping with the principles of the Sabha that humanity is beyond any religion and service to mankind is service to the Almighty.

#### Mr. Vinod Dugar, Secretary

I am pleased to welcome all our new students to our family. Our institute offers an excellent education for a career in dentistry.

Ever since its inception our college and hospital has had the endeavor to achieve excellence in dental education, oral health care and community services.

The state-of-the-art infrastructure and equipment at our institution are at par with international standards. Under the tutelage of our highly trained faculty, our students will acquire an intense training in dental sciences.

In addition, the close working relationship among the faculty, students and staff at our college offers a collegial environment to work toward the common goal of global excellence. Our Institution stands out as one of the finest institutes in dental education as well as oral health care, complying with the institutional mission set forth.

#### Prof. Dr. Jayanta Chattopadhyay, Principal

This college was established in 2016 keeping with the principles of Shree S. S Jain Sabha, Kolkata, where we are dedicated to providing dental education of the highest standard to create dental surgeons who will serve the society and the nation with dedication, compassion and utmost professionalism.

At our institute our students not only go through an intense academic training but participate actively in sports, cultural and other social activities. These growing years should be a memorable journey for them so that they not only become good doctors but impeccable human beings.

Our hospital has 9 super-specialty departments, most advanced instruments and equipment, more than eight thousand sq feet of library area and a state of art central sterilization department. Also housed in our campus are fantastic hostels, state of art gyms, a cafeteria you would love to spend time in, sprawling lawns where you feel a part of nature and a great dining facility.

Our hospital serves more than a hundred thousand patients a year free of cost for most of the treatments. We also run a free Specialty medical OPD. Hematological and histopathological tests and general and various dental radiological examinations are done at a cost to cost basis.

Together it has been a dream journey for us until now where we stress on the notion of

*"Happy Students, Happy patients, Happy faculty."*

#### Our Mentor

#### Prof. C. Bhasker Rao

Our Chief Mentor comes with five decades of experience with dental education in the country. He served as Vice President, Dental Council of India for three terms which is the apex body responsible for regulating dental profession in India. Throughout his distinguished career he has strived hard to infuse excellence in academic, clinical and research areas of dental profession. He has served on various national, academic and regulatory platforms contributing to the sustained and progressive development of dental education in the country.
